Dear Carole Chauvin

I am submitting this request for a deadline extension for certification. We have most of the requirements taken care of but not all. If possible can we be granted a 30 day extension to get all required documentation? We only have a few more task and I'm quite certain we can have everything done in 30 days. We are a new business and are working diligently to ensure we are compliant in all aspects of this new venture. We appreciate your time and would like to thank you in advance for all of your help.

Regards,

Tyrone C. Boykin & Terrence L. Langley
